| Compared to last sale        | : Feede      | r cattle and       | calves st                                      | eady to 2.0      | 0 lower aft     | er           |

Compared to last sale: Feeder cattle and calves steady to 2.00 lower after being steady to 3.00 lower earlier. Demand moderate to good. Heavy numbers and a weak futures market added downward pressure on prices. Grain futures also adding to that pressure as corn futures continue higher. Total includes several out of state cattle with many from our neighbors to the east and south. Temperatures in the low 90's has late weighing conditions average to full. Supply included 83 percent over 600 lbs and 40 percent heifers.
